

## **Freight Policy**

### **Flatbed Deliveries**

All flatbed loads delivering material whether on Lexsuco equipment or contracted carriers is subject to a freight percentage (%) charge on the subtotal cost per load. Freight percentage is determined by the zone in which the delivery site is located (please see “Delivery Zones” on Page 2).

**Zone 1: 2.5%**

**Zone 2: 3.0 %**

\$450 will be the minimum cost per load delivered to site. Customer is responsible to offload freight. Initial charges for delivery include a 1-hour offload time. An additional \$80 wait time charge will be applicable for every hour the truck is on site waiting or in the process of being unloaded until the offload process is completed.

### **Rooftop Deliveries (Lexsuco 25ton Crane)**

Rooftop deliveries require 24-hour notice. A flat fee of \$660 will be applicable (includes transportation and time offloading and moving Lexsuco material only, for up to 4 hours). An hourly rate of \$165 will be applicable for the use of the crane over 4 hours.

The flat fee of \$660 above, does not apply for use of the Lexsuco 25ton crane to move/off load non Lexsuco products. This service generally requires 24-hour notice and is available at an hourly rate of \$220 for every hour the crane is in use performing this service.

Regular hours for rooftop deliveries are between 7am to 3pm in the “Summer” months (April to September) and 8am to 3pm in the “Winter” months (October to March). An hourly rate of \$215.00 will be applicable if the crane is required any time before or after the regular hours (transportation time included).

### **Moffett Services**

Moffett needed for deliveries must be requested and generally given 24-hour notice. There will be no charges to offload Lexsuco products. If this service is required to offload and/or move around non Lexsuco products, a \$76 hourly charge will apply for every hour this service is being performed.

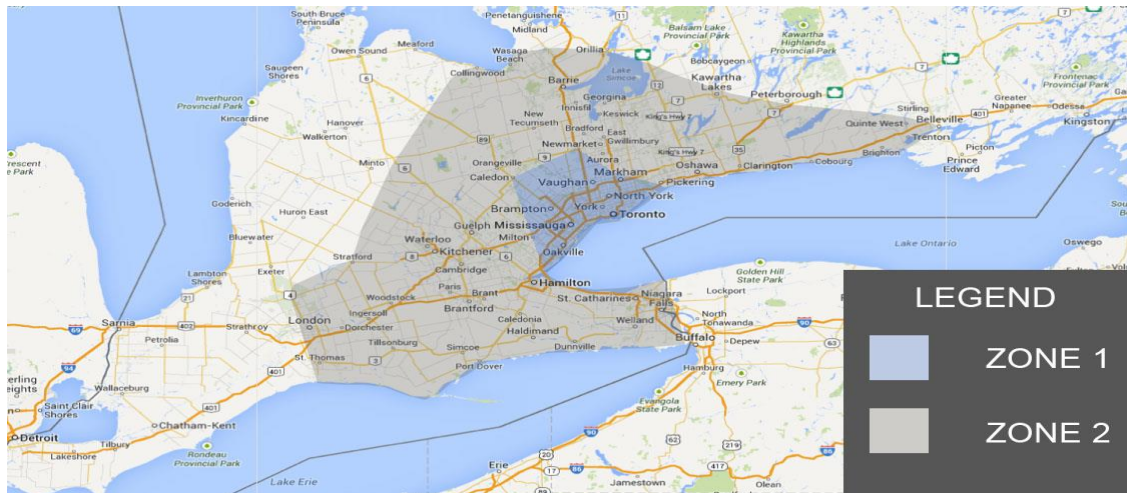

## All Other Freight Deliveries

A rate quote must be obtained if the following freight services are needed:

1. Larger crane over 25tons or any deliveries outside Zone 1 or 2 (this also includes flatbed deliveries).
2. LTL deliveries
3. Customer Returns (including products brought back on Lexsuco trucks)
4. Any other freight services and/or transportation vehicles and equipment not mentioned on page 1.

Approval from our customer regarding the quoted rate will be required before we can move forward with booking/organizing any of these delivery services.

## Delivery Zones

## Cancellations

A load cancellation fee will apply for all loads cancelled with less than 12 hours' notice. This is subject to the status of delivery and can be up to the full delivery cost.
